

**NZALT – Ian Lillico**

I really enjoyed being part of your conference, meeting you all and also loved the dinner and camaraderie!!

Please find attached the two handout versions of my keynote address and workshop.

As I mentioned at the conference photos etc are too large to be sent over the Internet and I have a 100 coloured photo reflection pack which can be obtained for AUD\$55 including postage from Australia **or** a special NZALT Conference pack for AUD\$155 including postage from Australia.

The \$155 pack consists of:

The 2 full CD-ROMs of the Keynote and Workshop

The 100 photo reflection pack CD-ROM

The set of my 3 booklets – 2 on Boys' Ed, 1 on Homework

The book "Living with a Willy" and

My 2 audio CD set for parents on Boys' Education

If you want either of these email back with an order number from your school if required and we will mail off ASAP.

Please note that all NZ payments need to be made by deposit into our NZ bank account or via credit card – another document attached.

Look out for my full day seminar on **Boys with Particular Needs** coming up in Auckland on Monday 20<sup>th</sup> October this year – it will soon be advertised on the website.

If you would like me to work with your students, teachers and parents I am available from August this year for work in New Zealand, and also into 2009 – have a look at the top left of my website – [www.boysforward.com](http://www.boysforward.com)

Sincerely and best wishes,  
Ian Lillico
